Joachim Kuske offers independent non-executive director services for regulated (UCITS, SIF) and unregulated fund vehicles (AIF, RAIF, Partnership structures), Investment Fund Managers (IFM), special purpose vehicles in the fields of energy infrastructure, real estate, private assets (equity and credit), venture capital, hedge funds and transferable securities.

Joachim has gained over 25 years of practical professional experience in the asset management industry. He began his career in the legal department of Caceis Investor Services before moving to the law firms, Delwaide Avocats and later Elvinger Hoss Prussen (a top tier Luxembourg law firm), where he advised clients on asset management and investment funds. Joachim then worked for over 5 years with VP Fund Solutions, a Luxembourg investment fund manager belonging to the Liechtenstein-based VP Bank Group. There he acted as CSSF approved executive director and was mainly responsible for legal, compliance and governance matters. He assisted clients in ensuring on-going compliance with the evolution of the UCITS and AIF regulatory frameworks. From 2014 until 2017, Joachim returned to Elvinger Hoss Prussen, to assist clients mainly with the structuring of alternative investment vehicles and partnerships in various asset classes.

His expertise in the board room includes navigating through the complex regulatory landscape in fields such as AML/CFT compliance, delegation oversight and monitoring, board organisation and best practices.

He is a member of the board of directors of the Luxembourg Institute of Governance (ILA) and the vice-chair of ILA. He is also an active member of ILA's Fund Committee and a regular lecturer at ILA's training offers. Joachim is a member of the Non-Executive Directors Club of the Luxembourg Private Equity & Venture Capital Association (LPEA). Joachim recently joined Luxembourg for Transparency (L4T) as founding board member.
